The Study Center

Study center is an integration project run by Unity Effect e.V. at The Tannenbusch House. The main goal is to empower newcomers and refugees in Bonn. Main focus is on joint learning, peer-mentoring and professional support.

We Offer

1. Access to space, digital resources and mentoring.
2. Knowledge about local offers e.g. personal and leadership development, learning opportunities, public events, job & internship opportunities.
3. A community with like-minded people to connect to.

Additional Support

1. Project and business development workshops with our partner Conscious Business.
2. Leadership development offers via Unity Effect (see changemakerjourney.org).
3. Network meetings every Sunday evening and further offers of the Tannenbusch House like improvisation theatre, creative writing, storytelling and much more.

We speak English, Arabic, German, French.
